

SPENCER COUNTY PUBLIC SCHOOLS
SchoolMessenger Opt-Out Request Form

PLEASE READ ENTIRE FORM BEFORE SIGNING

I wish to have the below contact information REMOVED from the SchoolMessenger calling list. I understand that by opting-out of participation with this program that I will not receive ANY emergency notifications to the below contacts from SchoolMessenger, not just weather-related information calls. This would include information about crisis or emergency in any of our buildings of any nature about which the School District chooses to communicate via SchoolMessenger. Spencer County Public Schools anticipates that SchoolMessenger will be a primary communication tool in the event of a building crisis or emergency. If at any time, you would like to reinstate your SchoolMessenger notifications, you will need to come to the school directly to do so.

To opt-out, please complete the form below and turn it in to the school office where your child attends. If you have more than one student attending in the district, you will need to complete one form for each student.
