

Ms. Prosch's Gifted & Talented

Dear Parents and Guardians,

Welcome back! I'm so excited to start this new school year as the gifted and talented teacher at both TES and SCHS. I want to make sure that all parents and students are able to reach me with questions or concerns and also keep you in the loop about upcoming opportunities. In order to do this, I have prepared several options to keep the lines of communication open. You can utilize all of these or choose the one that works best for you.

Google Classroom

I will be utilizing Google Classroom to provide instruction for elementary students since I won't be able to meet with them every day. This comes in handy because it also allows students to access instruction on days that they are absent.

I have also set up a Google Classroom for the high school. This will not be used for instruction and is not a requirement but will be an online tool that I use to post announcements and leadership opportunities. Students can also use this as a sort of virtual classroom so that we can have discussions and provide a sense of community among the students.

To access Google Classroom, students will need their school email address login information and the classroom code.

4th Grade code: zenmo7

5th Grade code: fyquutt

SCHS code: qj0j7x

Remind

If you would prefer to receive notifications on your cell phone, I will be using the Remind App. To sign up for reminders for TES, text @bprosch to 81010. To get notification for SCHS, text @schsgt to 81010.

Feel free to text, call, or email me with questions. I plan to be at SCHS on Mondays and Wednesdays and TES on Tuesdays and Thursdays but this will vary from time to time based on events. Fridays will alternate as needed.

Looking forward to a great year,
Ms. Brandie Prosch

Upcoming Events

TES
