

# SCHS Gifted and Talented Newsletter

## Events and Opportunities

The year has been off to a busy start! Students in the gifted and talented program have had the opportunity to participate in several activities such as the career fair, leadership luncheons, college visits, and a trip to the Derby Dinner Playhouse. Sophomores have also had the chance to apply for the HOBY Leadership Conference and juniors the Governor's Scholar Program. I will continue to work with the college and career coach to provide more opportunities as the year goes on.

## Student Spotlight

Congratulations to Josh Dunkelberger on being selected to represent Spencer County at the Hugh O'Brien Youth Leadership Conference this summer at Transylvania University!

## Remind

If you have not signed up for Remind, text @schsgt to 81010 and you can receive notifications about upcoming events and opportunities!
